

2024 Ace Shootout Challenges

CHALLENGE 1: RANGE BASKET KNOCKDOWN

Sponsored by Sharkbite

The players will be paired up for a head-to-head matchup to kick off the Ace Shootout. Players will attempt to hit shots at target pyramids, aiming to knock down as many baskets as possible. The more baskets knocked down, the more points earned. The point value of the pyramids will be determined by the number of targets in each pyramid. \$25,000 in donations will be provided by Sharkbite to the celebrities' local children's hospital.

- Matchup Winner = 6 points + \$3,000 in donations
- Matchup Loser = 3 points + \$2,000 in donations

CHALLENGE 2: 2-PUTT FOR PAR

The players that were opponents in the first challenge will team up for this putting challenge. The players will alternate hitting putts until the ball is holed. More points are on the table for those teams that hole the putt sooner.

- First Putt Holed = 10 points each
- Second Putt Holed = 6 points each
- Third Putt Holed = 4 points each
- Third Attempt Missed = 3 points each

CHALLENGE 3: HOLE IN THE WALL CHALLENGE

The players will attempt to hit chip shots onto a green through a hole in a wall. Three different walls will present varying difficulty based on hole size. Each player will have 3 shots, with their best shot counting toward their final score. The smaller the hole, the more points earned. The players will also have a chance to double their points if they hit into a bonus area on the green.

- Large Hole = 1 point
- Medium Hole = 2 points
- Small Hole = 3 points
- Double or triple points if ball is hit on green or in bonus area

CHAMPIONSHIP CHALLENGE: CLOSEST TO THE PIN

Sponsored by CRAFTSMAN

The players will be paired for a head-to-head matchup based on their ranking after the first three challenges. For Round 1, each player will hit three shots to a pin on the green. The best shot from each match will count as their distance. The player that is closest to the pin from each match will advance to the Championship Round. The player closest to the pin will be crowned the 2024 Ace Shootout Champion, winning \$25,000 for their local children's hospital, thanks to CRAFTSMAN.
