

# 2026 Ace Shootout Challenges

## CHALLENGE 1: LONG DRIVE CHALLENGE

### Sponsored by Sharkbite

Players face off head-to-head in a driving challenge. Each player hits three drives, and their best shot counts. Drives landing in the fairway point grid earn extra points. The player with the higher score wins 6 points; the loser gets 3. If they tie, both receive 4 points. \$25,000 in donations will be provided by Sharkbite to the players' local children's hospital.

## CHALLENGE 2: GLASS BREAK PLUS ONE

### Sponsored by Milwaukee Tool

Former opponents become teammates in this timed challenge. One player tries to break a frame of glass while the other pitches their ball into a target net. Once one finishes, they can help with the partner's target. The team's time to complete both tasks is their score, and the fastest team wins. \$25,000 in donations will be provided by Milwaukee to the players' local children's hospital. Points will be awarded as outlined below:

- 1st place – 5 points to each team member
- 2nd place – 4 points to each team member
- 3rd place – 3 points to each team member
- 4th place – 2 points to each team member
- 5th place – 1 point to each team member

## CHALLENGE 3: FLOP WALL

### Sponsored by CRAFTSMAN

Each player get two shots to flop a ball over the wall into a fairway target area. They choose from three hitting zones worth 2, 4, or 6 points, increasing as they get closer to the wall. Clearing the wall earns the zone's points, and landing in the target adds four more. A player's best shot counts, and the points go toward their overall total. \$25,000 in donations will be provided by CRAFTSMAN to the players' local hospital.

## CHAMPIONSHIP CHALLENGE: FINAL APPROACH

### Sponsored by Scotts

*The 2 players with the highest score after the first 3 challenges will receive a bye and advance to the final round of this challenge.*

## ROUND 1

Players ranked 3rd–10th after the first three challenges each hit three shots to a pin. Their closest-to-the-pin shot is their score, and the player closest overall advances to the Championship Round.

## FINAL ROUND

The Round 1 winner joins the two players with byes. In order of lowest to highest rank, each hits three shots, and their best (closest) counts. The player closest to the pin will be crowned the Ace Shootout Champion, winning \$25,000 for their local children's hospital thanks to Scotts.
