

There is no limit to the way that you can raise funds for Extra Life during Tabletop Appreciation Weekend. Let your creativity run free as you support your local hospital! Below are a few of the many ways you can fundraise while playing tabletop games this weekend.

FUNDRAISING IDEAS

Re-Roll

Whether it's D&D, Monopoly, CATAN, or another game, give players the chance to re-roll the dice if they donate.

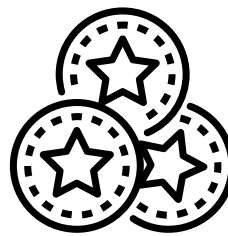

Alter the Game Rules

Playing Monopoly and trying to get out of jail? Donate! Think of creative ways to spice up games and create fun ways to collect donations.

Organize a Giveaway

Offer an exciting prize or incentive to one random supporter who donates to your page during the weekend!

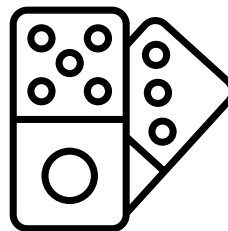

Sell Products

Looking to buy/paint/sell mini-figures, host a silent auction, or sell some of your old D&D dice for donations? Now is the time!

Losers Donate

Host a game night in which each player donates a modest entry fee. The winner(s) get the money donated to their page.

Create Your Own Game

Flex your creative muscles and create your own board game or trivia activity to raise funds for your local hospital!
