

Become a Rainbow Radiothon Star Business

Hosted on Cleveland's Star 102 by morning show hosts Jen Toohey and Tim Richards, the 22nd annual Rainbow Radiothon's goal is to raise life-saving funds in support of patients and families receiving care at University Hospitals Rainbow Babies & Children's. The 13-hour broadcast will feature patient stories of hope and resilience to inspire the community to call in their support. Your donation will be featured during our Star Business Hours to inspire gifts from other businesses and you will receive recognition throughout the event.

Donate \$500 or more through Rainbow Radiothon in support of kids receiving care at UH Rainbow Babies & Children's.

Challenge other businesses in your neighborhood or sector to join you.

Celebrate making a difference by tuning in to Rainbow Radiothon and sharing your involvement with your community.
