

WHO CAN BE A CHAMPION?

Some of our champions include Myles who beat Leukemia, Amy who fights Ehlers-Danlos Syndrome daily, and Emma who battles Leukemia. Any pediatric patient who has been treated or is currently being treated at the UNM Children's Hospital can apply to be an official champion of UNM Children's Hospital!

WHAT IS A CHAMPION?

Champions are our hospitals ambassadors that raise awareness about the important work being done at UNM Children's Hospital. Our champions share their medical journey and appreciation for UNM Children's Hospital with Children's Miracle Network.

Children's Miracle Network is a fundraising program that is dedicated toward raising gifts to be used for equipment, supplies and specialty programs (like Child Life) at UNM Children's Hospital.

When people think of champions
they think of gold medals,
trophies and winning.
When we think of champions we think
of YOU!

HOW CAN I HELP?

Sharing your champion story can be done through lots of ways and we respect and appreciate any way you choose!

Blue Champion

Share your story with CMN staff to develop written communications and take pictures one time to be shared throughout the year.

Purple Champion

Share your story through video or recorded interviews to be shared at special events throughout the year.

Green Champion

Work behind the scenes with stewardship events like writing thank you notes, and painting patient artwork.

Red Champions

Attend community and fundraising events to speak when available.

Gold Champions

A mixture of all!

WHAT DOES A CHAMPION DO?

- Be a super star! Go visit stores and restaurants during their campaign!
- Be an ambassador! Go to meetings to share your story with partners.
- Be an artist! Draw or paint special pictures.
- Hang out! Share your story on the radio with Jackie, Tony, and Donnie.
