3. Contest Overview.
 - a. With the assistance and support of CMN Hospitals, many colleges and universities have Dance Marathon programs that support one of CMN Hospitals’ member children’s hospitals.
 - b. The Dance Marathon program at each college or university is invited to share posts on Twitter, Facebook and Instagram from that program’s official Twitter, Facebook and Instagram accounts from 12:00 a.m. Pacific Time on December 2, 2019, and before 12:00 a.m. Pacific Time on December 29, 2019 (the “Contest Period”), to celebrate Panda Express locations across the United States and their support of CMN Hospitals.
 - c. To be eligible, posts must contain an original photo or video celebrating Panda Express and its support of CMN Hospitals and the hashtags #PandaCares and #DM4Panda. Posts need to use both hashtags to be eligible. Posts must not be Instagram “stories” or similar posts. Dance Marathon programs may post as many posts as they want to on Twitter, Facebook and/or Instagram using both hashtags.
 - d. There will be winners in three different categories:
 1. The program whose eligible posts have the most social media engagement during the Contest Period will receive a Five Hundred Dollar (\$500.00) donation toward the children’s hospital that program supports. Engagement will be measured by the number of likes, comments and shares/retweets. In the case of a tie, the prize will be split equally among programs.
 2. The program who posts an eligible selfie with the most program members inside a Panda Express location will receive a Five Hundred Dollar (\$500.00) donation toward the children’s hospital that program supports. In the case of a tie, the prize will be split equally among programs.
 3. The program who posts the most creative “Thank You” to Panda Express associates for their support of CMN Hospitals will receive a Five Hundred Dollar (\$500.00) donation toward the children’s hospital that program supports. The winner of this category will be chosen by a CMN Hospitals employee in his or her sole discretion.

Programs can enter all three challenges with a single social media post. Separate social media posts for each category are not necessary. All posts must contain the #PandaCares and #DM4Panda hashtags to be eligible.
