

# THE FACTS

ALL INFORMATION BASED ON 2020 DATA OR MORE RECENT DATA IF AVAILABLE

Children's Hospital & Medical Center in Omaha is a 145-bed nonprofit organization caring for children since 1948. It is the only full-service pediatric specialty health care center in Nebraska. Patients are referred from throughout the region for the treatment of complex or unusual diseases in addition to pediatric primary care. At Children's, no child in need of medical care is ever turned away due to an inability to pay.
